INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Submitted herewith are patents, publications or other information of which the undersigned is aware, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

While the references submitted in this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, the submission of this IDS is not an admission that any patent, publication or other information referred to herein is "prior art" unless specifically designated as such. Furthermore, the submission of this IDS is not an admission that any patent, publication or other information referred to herein is in fact "material," or that Applicant has a duty to disclose.

In accordance with 37 CFR 1.97(b) the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.
